§ 600.235

(5) No Council member, employee of a Council, or member of a Council advisory group may use or allow the use, for other than official purposes, of information obtained through or in connection with his or her Council employment that has not been made available to the general public.

(6) No Council member or employee of the Council may engage in criminal, infamous, dishonest, notoriously immoral, or disgraceful conduct.

(7) No Council member or employee of the Council may use Council property on other than official business. Such property must be protected and preserved from improper or deleterious operation or use.

(8)(i) Except as provided in § 600.235(h) or in 18 U.S.C. 208, no Council member may participate personally and substantially as a member through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, in a particular matter in which the member, the member's spouse, minor child, general partner, organization in which the member is serving as officer, director, trustee, general partner, or employee, or any person or organization with whom the member is negotiating or has any arrangement concerning prospective employment, has a financial interest. (Note that this financial interest is broader than the one defined in § 600.235(a).)

(ii) No Council member may participate personally and substantially as a member through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, in a particular matter primarily of individual concern, such as a contract, in which he or she has a financial interest, even if the interest has been disclosed in accordance with § 600.235.

§ 600.230 Removal.

The Secretary may remove for cause any Secretarially appointed member of a Council in accordance with section 302(b)(6) of the Magnuson-Stevens Act, wherein the Council concerned first recommends removal of that member

§ 600.235 Financial disclosure.

(a) *Definitions.* For purposes of § 600.235:

Affected individual means an individual who is—

(1) Nominated by the Governor of a state or appointed by the Secretary of Commerce to serve as a voting member of a Council in accordance with section 302(b)(2) of the Magnuson-Stevens Act; or

(2) A representative of an Indian tribe appointed to the Pacific Council by the Secretary of Commerce under section 302(b)(5) of the Magnuson-Stevens Act who is not subject to disclosure and recusal requirements under the laws of an Indian tribal government.

Council decision means approval of a fishery management plan (FMP) or FMP amendment (including any proposed regulations); request for amendment to regulations implementing an FMP; finding that an emergency exists involving any fishery (including recommendations for responding to the emergency); and comments to the Secretary on FMPs or amendments developed by the Secretary. It does not include a vote by a committee of a Council.

Designated official means an attorney designated by the NOAA General Counsel.

Financial interest in harvesting, processing, or marketing (1) includes:

(i) Stock, equity, or other ownership interests in, or employment with, any company, business, fishing vessel, or other entity engaging in any harvesting, processing, or marketing activity in any fishery under the jurisdiction of the Council concerned;

(ii) Stock, equity, or other ownership interests in, or employment with, any company or other entity that provides equipment or other services essential to harvesting, processing, or marketing

activities in any fishery under the jurisdiction of the Council concerned, such as a chandler or a dock operation.

(iii) Employment with, or service as an officer, director, or trustee of, an association whose members include companies, vessels, or other entities engaged in harvesting, processing, or marketing activities, or companies or other entities providing services essential to harvesting, processing, or marketing activities in any fishery under the jurisdiction of the Council concerned; and

(iv) Employment with an entity providing consulting, legal, or representational services to any entity engaging in, or providing equipment or services essential to, harvesting, processing, or marketing activities in any fishery under the jurisdiction of the Council concerned, or to any association whose members include entities engaged in the activities described in paragraphs (1) (i) and (ii) of this definition;

(2) Does not include stock, equity, or other ownership interests in, or employment with, an entity engaging in advocacy on environmental issues or in scientific fisheries research in any fishery under the jurisdiction of the Council concerned, unless it is covered under paragraph (1) of this definition. A financial interest in such entities is covered by 18 U.S.C. 208, the Federal conflict-of-interest statute.

(b) *Reporting.* (1) The Magnuson-Stevens Act requires the disclosure by each affected individual of any financial interest in harvesting, processing, or marketing activity, and of any such financial interest of the affected individual's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee. The information required to be reported must be disclosed on NOAA Form 88-195, "Statement of Financial Interests for Use by Voting Members and Nominees of Regional Fishery Management Councils" (Financial Interest Form), or such other form as the Secretary may prescribe.

(2) The Financial Interest Form must be filed by each nominee for Secretarial appointment with the Assistant Administrator by April 15 or, if nomi-

nated after March 15, 1 month after nomination by the Governor. A seated voting member appointed by the Secretary must file a Financial Interest Form with the Executive Director of the appropriate Council within 45 days of taking office; must file an update of his or her statement with the Executive Director of the appropriate Council within 30 days of the time any such financial interest is acquired or substantially changed by the affected individual or the affected individual's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee; and must update his or her form annually and file that update with the Executive Director of the appropriate Council by February 1 of each year.

(3) The Executive Director must, in a timely manner, provide copies of the financial disclosure forms and all updates to the NMFS Regional Administrator for the geographic area concerned, the Regional Attorney who advises the Council, the Department of Commerce Assistant General Counsel for Administration, and the NMFS Office of Sustainable Fisheries. The completed financial interest forms will be kept on file in the office of the NMFS Regional Administrator for the geographic area concerned and at the Council offices, and will be made available for public inspection at such offices during normal office hours. In addition, the forms will be made available at each Council meeting or hearing.

(4) Councils must retain the disclosure form for each affected individual for at least 5 years after the expiration of that individual's last term.

(c) *Restrictions on voting.* (1) No affected individual may vote on any Council decision that would have a significant and predictable effect on a financial interest disclosed in his/her report filed under paragraph (b) of this section.

(2) As used in this section, a Council decision will be considered to have a "significant and predictable effect on a financial interest" if there is a close causal link between the decision and

an expected and substantially disproportionate benefit to the financial interest in harvesting, processing, or marketing of any affected individual or the affected individual's spouse, minor child, partner, or any organization (other than the Council) in which that individual is serving as an officer, director, trustee, partner, or employee, relative to the financial interests of other participants in the same gear type or sector of the fishery. The relative financial interests of the affected individual and other participants will be determined with reference to the most recent fishing year for which information is available. However, for fisheries in which IFQs are assigned, the percentage of IFQs assigned to the affected individual will be dispositive.

(3) "Expected and substantially disproportionate benefit" means a quantifiable positive or negative impact with regard to a matter likely to affect a fishery or sector of the fishery in which the affected individual has a significant interest, as indicated by:

(i) A greater than 10-percent interest in the total harvest of the fishery or sector of the fishery in question;

(ii) A greater than 10-percent interest in the marketing or processing of the total harvest of the fishery or sector of the fishery in question; or

(iii) Full or partial ownership of more than 10 percent of the vessels using the same gear type within the fishery or sector of the fishery in question.

(d) *Voluntary recusal.* An affected individual who believes that a Council decision would have a significant and predictable effect on that individual's financial interest disclosed under paragraph (b) of this section may, at any time before a vote is taken, announce to the Council an intent not to vote on the decision.

(e) *Participation in deliberations.* Notwithstanding paragraph (c) of this section, an affected individual who is recused from voting under this section may participate in Council and committee deliberations relating to the decision, after notifying the Council of the voting recusal and identifying the financial interest that would be affected.

(f) *Requests for determination.* (1) At the request of an affected individual, the designated official shall determine for the record whether a Council decision would have a significant and predictable effect on that individual's financial interest. The determination will be based upon a review of the information contained in the individual's financial disclosure form and any other reliable and probative information provided in writing. All information considered will be made part of the public record for the decision. The affected individual may request a determination by notifying the designated official—

(i) Within a reasonable time before the Council meeting at which the Council decision will be made; or

(ii) During a Council meeting before a Council vote on the decision.

(2) The designated official may initiate a determination on the basis of—

(i) His or her knowledge of the fishery and the financial interests disclosed by an affected individual; or

(ii) Written and signed information received within a reasonable time before a Council meeting or, if the issue could not have been anticipated before the meeting, during a Council meeting before a Council vote on the decision.

(3) At the beginning of each Council meeting, or during a Council meeting at any time reliable and probative information is received, the designated official shall announce the receipt of information relevant to a determination concerning recusal, the nature of that information, and the identity of the submitter of such information.

(4) If the designated official determines that the affected individual may not vote, the individual may state for the record how he or she would have voted. A Council Chair may not allow such an individual to cast a vote.

(5) A reversal of a determination under paragraph (g) of this section may not be treated as cause for invalidation or reconsideration by the Secretary of a Council's decision.

(g) *Review of determinations.* (1) Any Council member may file a written request to the NOAA General Counsel for review of the designated official's determination. A request for review must be received within 10 days of the determination.

§ 600.240

(2) A request must include a full statement in support of the review, including a concise statement as to why the Council's decision did or did not have a significantly disproportionate benefit to the financial interest of the affected individual relative to the financial interests of other participants in the same gear type or sector of the fishery, and why the designated official's determination should be reversed.

(3) If the request for review is from a Council member other than the affected individual whose vote is at issue, the requester must provide a copy of the request to the affected individual at the same time it is submitted to the NOAA General Counsel. The affected individual may submit a response to the NOAA General Counsel within 10 days from the date of his/her receipt of the request for review.

(4) The NOAA General Counsel must complete the review and issue a decision within 30 days from the date of receipt of the request for review. The NOAA General Counsel will limit the review to the record before the designated official at the time of the determination, the request, and any response.

(h) *Exemption from other statutes.* The provisions of 18 U.S.C. 208 regarding conflicts of interest do not apply to an affected individual who is in compliance with the requirements of this section for filing a financial disclosure report.

(i) *Violations and penalties.* It is unlawful for an affected individual to knowingly and willfully fail to disclose, or to falsely disclose, any financial interest as required by this section, or to knowingly vote on a Council decision in violation of this section. In addition to the penalties applicable under § 600.735, a violation of this provision may result in removal of the affected individual from Council membership.

§ 600.240 Security assurances.

(a) DOC/OS will issue security assurances to Council nominees and members following completion of background checks. Security assurances will be valid for 5 years from the date

50 CFR Ch. VI (10–1–07 Edition)

of issuance. A security assurance will not entitle the member to access classified data. In instances in which Council members may need to discuss, at closed meetings, materials classified for national security purposes, the agency or individual (e.g., DOS, USCG) providing such classified information will be responsible for ensuring that Council members and other attendees have the appropriate security clearances.

(b) Each nominee to a Council is required to complete a Certification of Status form ("form"). All nominees must certify, pursuant to the Foreign Agents Registration Act of 1938, whether they serve as an agent of a foreign principal. Each nominee must certify, date, sign, and return the form with his or her completed nomination kit. Nominees will not be considered for appointment to a Council if they have not filed this form. Any nominee who currently is an agent of a foreign principal will not be eligible for appointment to a Council, and therefore should not be nominated by a Governor for appointment.

§ 600.245 Council member compensation.

(a) All voting Council members whose eligibility for compensation has been established in accordance with NOAA guidelines will be paid through the cooperative agreement as a direct line item on a contractual basis without deductions being made for Social Security or Federal and state income taxes. A report of compensation will be furnished each year by the member's Council to the proper Regional Program Officer, as required by the Internal Revenue Service. Such compensation may be paid on a full day's basis, whether in excess of 8 hours a day or less than 8 hours a day. The time is compensable where the individual member is required to expend a significant private effort that substantially disrupts the daily routine to the extent that a work day is lost to the member. "Homework" time in preparation for formal Council meetings is not compensable.

(b) Non-government Council members receive compensation for:
